**NEW CANAAN PRESERVATION ALLIANCE PRESENTS ITS FIRST-EVER AWARD AT  
NCHS RECOGNITION ASSEMBLY**

*New Canaan, CT, June 5, 2013* – On Friday, May 31<sup>st</sup>, during the New Canaan High School Recognition Assembly, Steven Nilla (Senior) was named the first recipient of *The Mimi Findlay New Canaan Preservation Alliance Award*. The NCPA established the award this spring to honor its Founding President, who has recently stepped down from her role after six years at the helm. Mrs. Findlay will remain an active participant on the Board of Directors.

*The Mimi Findlay New Canaan Preservation Alliance Award* recognizes a high school student whose academic goals reflect Mrs. Findlay's spirit and contributions in the field of preservation, architecture, cultural resources or historic documentation. A fitting recipient of this distinction, Mr. Nilla is a stand out student of architecture at NCHS. The NCPA wishes him all the best with his collegiate studies.
